

## Winter White Wonderland Windows are Returning for the Holidays!

It's time to start planning to turn Dunbar Village into a winter wonderland again this holiday season!

**PAINT DATE:** The Graphic Garden will be painting a winter wonderland on the windows of Dunbar Village businesses during the **1st week in November**.

**HOLIDAY WINDOW THEMES:** Pine Branches / Trees / Swirls & Snowflakes. The first 6 photos on page 2 of this handout are examples of the complimentary winter white holiday windows.

**HOW DO I PARTICIPATE?** Email Lisa as soon as possible at [info@dunbarvillage.ca](mailto:info@dunbarvillage.ca) if you would like your business windows painted. Don't delay as this may become a first-come, first-served program this year. It will also be too logistically challenging to add businesses at the last minute even if there is still space.

**CAN I PARTICIPATE IF THERE ARE LOGOS OR SIGNS ON MY WINDOWS?** The Graphic Garden is experienced with adding discrete decorations that will enhance your windows and any signage you may have. They will not interfere with or cause distractions around advertising or signage.

**CLEANING:** Please have your windows cleaned **BEFORE** the paintings go up. The Graphic Garden will not be cleaning windows before they paint. They can paint over dirty windows; however, your window painting will be superior if you provide them with a clean surface.

**COST:** The **white holiday windows described above are COMPLIMENTARY** for businesses. This is a DVBA program for members and you are in the DVBA if you received this handout. Just let Lisa know you'd like to participate and that's all you need to do.

If you would like **Custom Winter White Windows**, please look at the last 6 photos on the 3<sup>rd</sup> page of this handout for examples. A small part of your custom design cost will be covered by the DVBA program; however, these window designs are more elaborate and time consuming so pricing for custom windows will be based on the remaining design detail & size and billed to the business. Let Lisa know as soon as possible if you are interested in this option so Carrie from the Graphic Garden can discuss this with you and schedule accordingly.

**CONTACT LISA AT [INFO@DUNBARVILLAGE.CA](mailto:INFO@DUNBARVILLAGE.CA) WITH ANY QUESTIONS.**

COMPLIMENTARY WINTER WHITE WONDERLAND HOLIDAY WINDOWS WITH PINE BRANCHES, TREES, SWIRLS AND SNOWFLAKES

CUSTOM WINDOW PAINTINGS: PRICING BASED ON DESIGN DETAIL & SIZE
